**CIVIC MEMORIAL HIGH SCHOOL ATHLETICS
REQUEST TO PLAY TWO SPORTS DURING THE SAME SEASON**

Student/Athlete Name _____

I would like to participate in two sports in the upcoming season. I understand that I may have to prioritize one sport over another.

Choosing a dual sport (list the sports that you have a desire to participate in)

Dual Sports participation request:

A. _____ B. _____

If request is accepted by both head coaches, and the school athletic director, I intend to be as much of a part of each team as I possibly can. Scheduling conflicts will be address and discussed in a dual sport meeting with head coaches.

- *Scheduling conflicts for all practices and for all games will be discussed at the dual sport coaches meeting.*
- *At that meeting an agreed upon schedule/plan of action will be designed that allows for maximum success in both sports.*
- *During the meeting the following will be discussed*
 - *Practices dates and times establishing priority and expectations*
 - *Establish game/match/meet schedule*
- *Following the dual coach meeting expectations for the student-athlete will be explained, including practice expectations and competition dates for each sport.*

I understand that, because of an absence due to participation in the other sport, the coaching staff of either sport has the right to award playing time to my teammates who have been present at mandatory team events and limited my playing time. Furthermore, I vow to communicate my schedule and my intentions to each coach on a regular basis throughout the season.

Signature of student-athlete: _____ Date: _____

Signature of parent of student-athlete: _____ Date: _____

The student-athlete should complete the above and hand it to the coaches of each sport to sign

Signature of coach: _____ Date: _____

Signature of coach: _____ Date: _____

Acceptance by Athletic Director: _____ Date: _____

Each coach must sign this form at the conclusion of the dual sport meeting, or the student-athlete will have to choose one sport over the other. Copies of this form should be made and given to the student-athlete, each head coach, the principal, and the athletic director.
